THE WVU AT PARKERSBURG FOUNDATION, INC.

Continues Building in 2002-2003

ESTABLISHED in 1971, The WVU at Parkersburg Foundation, Inc. is an independent, not-for-profit organization to develop ongoing private support for the college. The Foundation, was founded solely to promote, encourage, and assist in the development and growth of West Virginia University at Parkersburg, formerly Parkersburg Community College, and to render assistance to the college, its faculty, students and alumni, and to the citizens of West Virginia.

Now more than 30 years later, the WVU at Parkersburg Foundation has grown from the initial \$3,000 gift to approximately \$5 million in assets at the close of our most recent fiscal year. The Foundation has continued to build thanks to the very generous and caring support of private citizens, alumni, faculty, staff, students, corporations, and private and public foundations that are committed to fulfilling the dreams of WVU at Parkersburg students.

The WVU at Parkersburg Foundation is dedicated to helping our college maintain its goal of providing the greatest quality of higher education in the Mid-Ohio Valley. To our donors, alumni, and friends, we extend our thanks for your partnership with us in supporting WVU at Parkersburg.

*Every effort has been made to be accurate in listing the names of each donor; nonetheless, in listings of this length and complexity, errors and omissions may occur. The listings are for contributions made to the WVU at Parkersburg Foundation. If your name is misspelled, omitted or listed incorrectly, we apologize. How Can You Support?

GREETINGS FROM THE FOUNDATION

“...**An investment in knowledge always pays the best interest.**” It is amazing how this quotation from Benjamin Franklin from over two centuries ago is still true today. Since 1971, the many donors and friends of the WVU at Parkersburg Foundation have invested in knowledge through their generosity and caring support of the Foundation and WVU at Parkersburg (WVUP).

C. Randall Law

Paul D. Daugherty

Your investment has allowed thousands of students to attain their dreams of a college education, to be successful citizens, and make exemplary contributions to society. Thanks to your very generous gifts to the Foundation, this year alumni and friends of WVUP are creating new funds and contributing to many of our existing funds.

The WVU at Parkersburg Foundation has undergone many changes this past year. We have a new executive director, Paul D. Daugherty, who succeeded Beth McNally when she moved to central Florida in May. The Foundation continues to build and fulfill our mission. This is due in part to special programs such as the WV state tax credits through the Neighborhood Investment Program that allows the Foundation to enhance the great tax savings of our donors.

During these challenging economic and social times for our country, the Foundation has been met with challenges as well. Even though our overall endowment performance has been challenged, we have been able to continue our efforts and growth thanks to the giving spirit of our donors.

During the 2002-2003 year, the WVU at Parkersburg Foundation granted over \$180,000 in charitable resources to the campus community of WVUP. Support can be given in so many forms to the Foundation and we welcome you to investigate those options included in this report. The Foundation could do so much more that would help to meet the needs not yet being addressed or only being partially met.

We are honored to present to you this 2002-2003 Annual Report. Thank you for all you currently do, as well as for what you can do in the future. YOU are truly making a difference in the students, faculty, staff, and programs of WVU at Parkersburg which reaches beyond the Mid-Ohio Valley area.

With much appreciation,

C. Randall Law, A.A.S. 1971
President

A MESSAGE FROM THE WVU AT PARKERSBURG INTERIM PRESIDENT

Dear Friends,

It is with great pleasure that I thank each of those persons whose names appear in this year's WVU at Parkersburg Foundation's Annual Report. Your gracious continued and growing support of the WVU at Parkersburg Foundation and our remarkable institution have made it possible for us to continue our mission.

Each donor and friend of the WVU at Parkersburg Foundation has made a commitment to the students, faculty, staff, programs, and entire campus community of WVU at Parkersburg that shapes and improves lives in the Mid-Ohio Valley community. Your ongoing enthusiastic support of the Foundation and WVU at Parkersburg has contributed to an overwhelming sense of pride and optimism that continues to grow.

The generosity and consideration of those who have contributed to the Foundation are the principal reasons for the optimism that exists on the campus and the enthusiasm we have for the future.

The decline in state funding and support for colleges and universities at the present has been a major challenge for WVUP. Through the charitable and caring nature of those who are giving to the Foundation and WVU at Parkersburg, we continue to be positive about the institution's future.

As Interim President I have the opportunity to work closely with the Foundation's Board of Directors and the new Foundation executive director. Their dedication and your investment will continue to benefit the professional development of faculty and staff, the improvements of programs and facilities, and provide the gift of a college education to fulfill the dreams of many students.

Sincerely,

Joseph L. Badgley
Interim President

CONTINUING TO BUILD DURING TIMES OF CHANGE!

BETH McNALLY

The changes of the season bring changes to WVU at Parkersburg. Since our last annual report, WVU Parkersburg and the WVU at Parkersburg Foundation have undergone changes in leadership. Within a short period of time of each other's leaving, WVU at Parkersburg Foundation's Executive Director, Beth McNally and WVU Parkersburg President, Dr. Erik Bitterbaum resigned and moved on to new positions. Beth stepped down in May 2003 to take a similar position in Florida. Dr. Bitterbaum resigned to become President of SUNY at Cortland, NY.

Both Beth and Erik served together as an excellent team that moved our Foundation and WVUP to a new level by increasing public visibility, and community involvement, and strengthening the educational experience of our students. Beth's efforts as the first official full-time executive director of the Foundation moved the Foundation to new heights. We greatly appreciate their commitment and contributions to the Foundation.

At the Foundation's July 2003 meeting, the Board of Directors established the Bitterbaum-McNally Fund. We welcome those who would like to make a contribution in honor of Beth and Erik to contact the Foundation office.

CREATING A LEGACY

Forward thinking, planning for the future, and creating a legacy are just a few ways to describe those donors who plan to make those special planned gifts to the WVU at Parkersburg Foundation.

THE MENTOR SOCIETY

The Mentor Society honors those who serve as a philanthropic example by naming the Foundation in future gifts. These are planned gifts that usually include a charitable remainder trust, a bequest in a will, or a gift of life insurance. ENCOURAGING DREAMS

In 2003, the WVU at Parkersburg Foundation received a 3-year \$111,000 grant from the Claude Washington Benedum Foundation to assist WVU at Parkersburg's Gear Up for Success (GUS) Program. This grant is making it possible for adult students to get a jumpstart or restart on their college career in a "user-friendly" environment.
