	MountainLynx is the WVU-P library catalog. Patrons may search for items by author, title, and subject. The catalog also accesses the library holdings at West Virginia University at Morgantown, Potomac State College, West Virginia Institute of Technology, West Virginia State College, and West Virginia Northern Community College. Materials located at these libraries may be obtained through interlibrary loan.
	ebrary offers full-text, searchable databases of books in all academic disciplines. Combined, our aggregated and publisher-branded databases include more than 40,000 books maps, reports and more from over 180 of the world's leading academic, trade and professional publishers.
	The ACLS History E-Book Project is a collaboration of eight learned societies, sixty contributing publishers, and librarians at the University of Michigan's Scholarly Publishing Office. The result is an online, fully searchable collection of high-quality books in history, recommended and reviewed by historians and featuring unlimited multi-user access and free, downloadable MARC records. The Project is available 24/7 on- and off-campus through standard web browsers.
	Oxford Reference Online brings together language and subject reference works from one of the world's biggest reference publishers into a single cross-searchable resource.
