

Title: #VII-17. Institutional Participation in Research Projects

Date: February 19, 2003 (replaces version dated April 19, 1983)

Requests from individuals or agencies for institutional data or official positions of the college (e.g., for research projects or doctoral theses) are subject to review by the President's Cabinet and approval of the president. A positive response to such a request is contingent upon the agreement of WVU at Parkersburg personnel who would be asked to participate.

Ordinarily the home addresses and home phone numbers of personnel will not be released.
