GENERAL INFORMATION

Admissions. The Office of Admissions, located in the Center for Student Services, coordinates the admissions process and oversees the recruitment and outreach strategies of the college.

Assessment. The College derives many benefits from its campus-wide assessment program. Academic departments have the opportunity to reflect on what the program mission is and what a graduate from that program will know, value, and be able to do. Students find it helpful to know the goals of their academic program and how courses in their program relates to those goals. Faculty use the assessment results to determine if program goals are being met. Academic support services such as the library, student affairs, academic advisement, and financial aid make a tremendous contribution to student learning on campus. Thus, all areas of the institution can assess how they contribute to the learning environment and what changes they might make to maximize learning experiences.

Assessment Participation. WVU at Parkersburg requires student participation in assessment tests and surveys. The results enable the College to monitor its programs and services, to assist students in fulfilling their academic goals, and to fulfill reporting requirements to accrediting and government agencies. The Vice President for Academic Affairs, the Outcomes Assessment Committee, and the Institutional Research Officer oversee development and reporting of assessment activities. Academic and administrative departments throughout the College periodically require student input about their functions.

Students will be notified when they are expected to participate in assessments. Assessment of general education outcomes will be undertaken regularly. In addition, each program conducts its own assessments of student learning. Other assessments will be conducted as needed.

Bookstore. The campus bookstore carries textbooks and classroom materials as well as imprinted items and sundries.

Cafeteria. The college cafeteria is located in the College Activities Center and is open most hours while classes are in session. Vending machines are also available at hours when the cafeteria is closed.

Career Services. Current students and alumni can take advantage of career development counseling and job services to enhance their employment opportunities. The Career Services Center provides

- assistance with interview skills
- assessments
- career exploration
- cooperative education
- help in developing or updating your resume, references, and cover letter
- job postings
- job skills building

Career Services offers a jobs posting and resume database system service to all students and alumni at www.collegecentral.com/wvup.

Career Service also offers a self-paced, online career guidance tool called Career Coach. The free program at https://wvup.emsicareercoach.com/ allows students and community members to explore interests and personality and their relation to potential careers. Through a simple keyword search, you can learn about the employment prospects of hundreds of careers. The real-time information is customized for our region and includes detailed wage estimates, employment statistics and up-to-date job postings associated with any career. You’ll discover what WVU at Parkersburg degree programs are right for you depending on your career goals.
