ITEM: Proposed Policy D-54, “Emergency Call-In”

RECOMMENDED RESOLUTION: Resolved, That the West Virginia University at Parkersburg Board of Governors authorizes a notice of proposed rulemaking for adoption of a policy on “Emergency Call-In” and hereby authorizes adoption of said policy without further action by the Board if no substantive changes in the proposal result following the 30-day comment period.

STAFF MEMBER: Dave White
Director of Facilities and Grounds

BACKGROUND:

West Virginia University at Parkersburg recommends a notice of proposed rulemaking to adopt a policy concerning emergency call-in. The proposed policy is consistent with one recently adopted by the West Virginia University Board of Governors and will provide nonexempt employees of WVU at Parkersburg at least 2.5 hours of compensation for returning to work outside of their regular work schedule to address an emergency work situation.

If no comments are received during the 30-day comment period or if no substantive changes result from comments received, authorization is sought to finalize this policy proposal following the comment period without further action by the Board of Governors.
Section 1. General

1.1 This policy establishes that a regular, non-exempt employee will receive a guarantee of at least two and a half (2.5) hours of compensation, in consideration of the inconvenience of returning to work outside of his/her regular work schedule for emergency call-in situations.

1.2 Authority. – W. Va. Code §18B-1-6 and §18B-2A-4; HEPC Title 133, Series 4; CCTCE Title 135, Series 4; and WVU at Parkersburg Board of Governors Policy A-45

1.3 Effective Date. –

2.1 All regular, non-exempt employees of the West Virginia University at Parkersburg Board of Governors who respond to a request for emergency call-in shall be guaranteed a minimum of least two and a half (2.5) hours of compensation, at the applicable rate of pay, for each occasion in which the employee responds to an emergency call-in situation, at the request of management.

Section 3. Definitions

3.1 Eligible Employee – a regular employee who is designated as non-exempt under the Fair Labor Standards Act.

3.2 Emergency Call-In – is when an eligible employee has left the work site, and is requested to respond, on short notice, to an emergency work situation to:

- Protect or provide emergency services to people, property, facilities or equipment;
- Mitigate unsafe situations or conditions; and/or
- Avoid significant service disruption.

3.2.1 An emergency call-in may involve either going into work prior to the eligible employee’s scheduled shift, coming back to work after the eligible employee’s scheduled shift has ended, or coming into work on a scheduled day off.

3.2.2 An employee who is asked to report early for his/her regular shift, or stay late after his/her regular shift is not eligible for emergency call-in compensation, because these hours are adjacent to his/her normal working hours. Emergency call-in compensation does not apply to additional shifts scheduled in advance outside of normal work hours. However, the employee will be compensated for all hours worked in accordance with college policies and procedures.
Section 4. Implementation

4.1 The Director of Facilities and Grounds is responsible for interpreting this policy and may formulate specific procedures for its implementation in consultation with the Director of Human Resources.

4.2 The Director of Facilities and Grounds or his/her designee is responsible for determining when an emergency call-in situation exists. Supervisors of eligible employees are responsible for adhering to the requirements of this policy and ensuring that an eligible employee receives appropriate compensation for emergency call-in situations.

4.3 An eligible employee, who responds to a request for emergency call-in on a college recognized holiday or emergency closure, shall be guaranteed a minimum of two and a half (2.5) hours of holiday/emergency closure premium compensation for each occasion in which the eligible employee responds in an emergency call-in situation.

ITEM: Policies to be Rejected

RECOMMENDED RESOLUTION: Resolved, That the West Virginia University at Parkersburg Board of Governors rejects policies 33 and 40 adopted by West Virginia University Board of Governors, because they are not applicable to West Virginia University at Parkersburg.

STAFF MEMBER: Debbie Richards, Special Assistant to the President for Policy and Social Justice

BACKGROUND:

As directed by H.B. 3215, effective July 1, 2008, policies adopted by the West Virginia University Board of Governors will continue in effect for WVU at Parkersburg until they are rescinded, revised, altered or amended by the West Virginia University at Parkersburg Board of Governors.

The following policies of West Virginia University Board of Governors do not apply to West Virginia University at Parkersburg. Therefore, it is unnecessary for these policies to be adopted by the West Virginia University at Parkersburg Board of Governors:

West Virginia University at Parkersburg Board of Governors
Meeting of June 10, 2009

ITEM: Name Change: Children’s Room to Early Learning Center

RECOMMENDED RESOLUTION: Information Only

STAFF MEMBER: Rhonda Richards, Executive Dean

BACKGROUND:

WVU at Parkersburg was one of the first public colleges in the state to develop and provide day-care services on campus for its students and employees. The campus “Children’s Room” has been in operation since the early 1980s. The college is presently engaged in a $3.5 million building campaign to develop a dynamic child development center focusing on the arts, literacy, culture and technology in collaboration with its Early Childhood Education program.

Upon the recommendation of the Children’s Room Advisory Committee, steps are being taken to change the name of the college’s licensed day care center from the “Children’s Room” to the “Early Learning Center” effective July 1, 2009. The present center has highly qualified staff and uses best practices with the children in curriculum, problem solving, and center based learning. The change in name will:

- more accurately reflect the quality learning environment provided in the center;
- reflect industry standard names for campus based child care centers;
- ease transition to the new building once it is built;
- be more attractive for accepting community children;
- reflect current practice, which is important since a campus based center should serve as a model for the community.

In addition, the plan is to accept more children from the community to fill spaces not used by students in the morning program and in evening hours. The public and collaborative Pre-K’s now serve the majority of four-year-old children; so, although the center will continue to serve children of students first and foremost, limited spaces for three-year-old children in the morning program will be available and the evening program can serve additional children ages 2 through 8 years. This is a sound financial decision and will be continued in the new program.
West Virginia University at Parkersburg Board of Governors
Meeting of June 10, 2009

ITEM: Administrator Titles

RECOMMENDED RESOLUTION: Information Only

STAFF MEMBER: Marie Foster Gnage, President

BACKGROUND:

Effective July 1, 2009, to reflect the additional responsibility, authority and liability associated with the institution’s independent status, the title for the Executive Dean, who is second in command to the President will be changed to Senior Vice President for Academic Affairs. In addition, the titles for both Deans—presently Dean of Students and Dean of Workforce and Community Education—will be upgraded to Vice Presidents. These titles are comparable to those for administrators in similar capacities at other institutions. Appropriate salary increases will be applicable only if the budget allows.

The attached organizational charts of the administrative reporting structure at West Virginia University at Parkersburg compare present status with these and other changes to be implemented as of July 1.
ITEM: Revised Structure for Academic Area

RECOMMENDED RESOLUTION: Information Only

STAFF MEMBER: Marie Foster Gnage, President

BACKGROUND:

As provided by Board of Governors Policy B-05 regarding changes in administrative organization, the president has approved a revised organizational structure within the academic area of the college to become effective for the 2009-10 academic year. Discussions between the Executive Dean and the appropriate faculty and staff took place during the 2009 Spring Semester. The revised structure will reduce the number of academic divisions from seven to five:

Academic divisions are created structures that support both the academic and administrative needs of the college. The goal is for divisions to come together in new and innovative ways that will open doors for interdisciplinary conversations. No changes will be made in what faculty teach, and all existing faculty and staff will be assigned within the new structure. Academic division chair assignments will continue to be offered as supplemental appointments on an annual basis. Although the revised structure will result in fewer chair assignments, additional coordinator assignments will be made in the humanities, mathematics and science areas.

The attached organizational charts compare the existing and revised organizational structure for the academic area.
ITEM: Faculty Promotion Decisions
