ITEM: Naming Music Rehearsal and Performance Room

RECOMMENDED RESOLUTION: *Resolved*, That the West Virginia University at Parkersburg Board of Governors recognize and honor Nina Phares, and her husband Francis, by naming the Music Rehearsal and Performance Room also known as Room 1300A and formerly the Community Room, the Nina Phares Music Rehearsal and Performance Room.

The Music Rehearsal and Performance Room was used to prepare for the 2016 New Student Convocation on August 22 performance of "Home Among the Hills" sung by Professor Holly Martin and accompanied by Cindy Dunstan-McClain. HG Young uses the room weekly for rehearsals of the WVU Parkersburg student chorus.

The name Nina Phares Music Rehearsal and Performance Room was chosen to recognize the gift received from the Francis and Nina Phares estate in July 2015.

In 1997 Nina and Francis Phares designated that any funds remaining in their estate at the time of their deaths be used to benefit West Virginia University at Parkersburg. Mrs. Phares passed away in August of 2014 following the death of her husband several years earlier. The two worked at E. I. DuPont as chemists and lived in Parkersburg throughout their careers and retirement.

In consultation with the WVU Parkersburg Board of Governors, the WVUP Foundation Board of Directors designated the Phares gift be set aside for the renovation of the James McNeil Stephenson Home located at Oakland, a property that was gifted to the Foundation by John and Pamela Lutz to benefit WVU Parkersburg in December 2015.

Francis and Nina Phares also may be recognized in plans for Oakland and the Stephenson Home.

**West Virginia University at Parkersburg Board of Governors
Meeting of September 14, 2016**

ITEM: Proposed Revision of Policy D-51, *Admission to West Virginia University at Parkersburg*

RECOMMENDED RESOLUTION: *Resolved, That the West Virginia University at Parkersburg Board of Governors authorizes a notice of proposed rulemaking for revision of Policy D-51, Admission to West Virginia University at Parkersburg, and hereby authorizes revision of said policy without further action by the Board if no comments are received.*

STAFF MEMBER: Anthony Underwood
Vice President of Student Services

BACKGROUND:

Three changes are being requested in the attached proposal to revise Policy D-51, *Admission to West Virginia University at Parkersburg*:

Placement Test Removal

Based on data from WVU Parkersburg students' first semester outcomes for the semesters Fall, 2014 and Fall, 2015, and from peer-reviewed published research, placement test scores are not an accurate indicator of first semester student success. Additionally, research offered by Complete College America indicates that the performance improvement in math and English classes for students at institutions who no longer use placement testing as a barrier to college-level gateway courses is substantial. Therefore, the college no longer offers remedial or pre-college foundation courses; thus, the need for placement tests as an admission process is no longer necessary.

Deposit Requirement for International Students

In order to ensure timely payment of tuition and fees, and provide a verification step for the information provided on a student's Form I-20 (Certificate of Eligibility for Nonimmigrant (F-1) Student Status for Academic and Language Students) international admission students are required to make an advanced payment calculated by the Vice President for Finance and Administration to cover the semester's tuition and fees. The student will not be granted an I-20 until this step is satisfied. The deposit amount will be applied to the tuition and fees for the student, with any remaining balance required to be paid per the tuition guidelines.

A notice of proposed rulemaking will be issued proposing the revision of this policy. If no comments are received during the 30-day comment period, this policy proposal will be

considered approved following the comment period without further action by the Board of Governors.

High School Transcript Requirements

In order to make the admissions process as open as possible while adhering to the policy requirements of the State of West Virginia, with this revision students will be able to hand deliver sealed high school transcripts to the college and students who are military veterans or who have graduated from college more than five years ago will no longer be required to provide high school transcripts.
