Failure to cooperate will result in administrative dismissal from the program. Students who test positive for alcohol, illegal usage of a controlled substance, or illicit drugs will be immediately dismissed from the program and will not be eligible for readmission to any Nursing and Health Science program. Costs associated with the screenings will be the responsibility of the student.

Any student who demonstrates behaviors of reasonable suspicion or impaired capacity (3aq) will be required to undergo immediate drug/alcohol testing. All costs incurred as a result of this action is the responsibility of the student.

BACKGROUND CHECK

All students entering the program should be aware that criminal history checks are required. Costs associated with the state and federal criminal history checks will be the responsibility of the student.
