**DRUG SCREENING**

Applicants must test negative for drug/alcohol screening. West Virginia University Parkersburg is a drug free community. To that end, students enrolled in all nursing and health science programs will be required to submit to randomized, mandatory drug screening without notice. Failure to cooperate will result in administrative dismissal from the program. Students who test positive for alcohol, illegal usage of a controlled substance, or illicit drugs will be immediately dismissed from the program and will not be eligible for readmission to any health science program. Costs associated with the screenings will be the responsibility of the student.

Any student who demonstrates behaviors of reasonable suspicion or impaired capacity (3aq) will be required to undergo immediate drug/alcohol testing. All costs incurred as a result of this action is the responsibility of the student.

**BACKGROUND CHECK**

All students entering the program should be aware that criminal history checks are required. Costs associated with the state and federal criminal history checks will be the responsibility of the student.

**ADMISSION TO THE NURSING PROGRAM**

Applicants to the Nursing program must be eligible to meet the requirements for licensure in the state of West Virginia as stated in the West Virginia Code. These conditions include:

1. High School graduate or equivalent
2. Graduate of an accredited school of nursing.
3. The Board of Examiners for Registered Professional Nurses may deny testing to any applicant proved guilty of certain infractions as, but not limited to, fraud, felony, or moral misconduct. (See Chapter 30, Article 7, Section 11 of The West Virginia Code.)

In admitting a student to the Nursing program, the Nursing and Health Sciences Division is not promising that the State of West Virginia will grant the student licensure. The decision to grant licensure is within the sole discretion of the West Virginia Board of Examiners for Registered Professional Nurses.
