# Future of Technical Scholarship

## Washington Works

Due Date: July 15, 2022

## **Future of Technical Scholarship Application**

### **PROCESS**

Potential scholarship recipients must complete a scholarship application and email or mail it to the Chemours Washington Work Scholarship Leader at [meghan.j.randall@chemours.com](mailto:meghan.j.randall@chemours.com) along with all supporting documentation by the established deadline of July 15, 2022. Scholarship decisions will be made and administered by Fall 2022. Scholarship decisions will be made by August 1, 2022.

### **CRITERIA**

- Applicants must currently reside in the following counties:
  - WV: Wood, Wirt, Calhoun, Jackson, Pleasants, Ritchie
  - OH: Washington, Athens, Meigs, Morgan, Monroe, Noble
- Applicants must be completing or have completed high school successfully with a minimum GPA of 3.0 on a 4.0 scale.
- Applicants must be accepted as a full-time student at a college or university in West Virginia or Ohio for the upcoming academic semester.
- Applicants must plan to pursue a 4-year STEM college program that will support a career in Chemical Manufacturing (examples of areas of studies that support a career in Chemical Manufacturing are Chemical Engineering, Mechanical Engineering, Electrical Engineering, Biology, Physics, Chemistry, Math, Computer Science, Biochemistry, Material Science, Environmental Sciences, IT, and Sustainability).
- Applicants must be a citizen or legal permanent resident of the United States.
- These scholarships are open to all students applying to the above-mentioned programs; however, the rubric will support the Chemours 2030 CRC goals for female applicants.
- Students will be required submit transcripts at the end of each academic year to the Washington Works Scholarship Committee Leader ([meghan.j.randall@chemours.com](mailto:meghan.j.randall@chemours.com)) to maintain eligibility.
- Applicants must complete and submit a scholarship application by July 15, 2022

### **AWARD**

- Chemours awards scholarships based on a comprehensive evaluation process conducted by a cross function committee drawn from the Washington Works Chemours Scholarship Team.
- Areas that are reviewed by the committee include, but are not limited to, the following:
  - Academic Accomplishments
  - Reference Letters
  - Future Career Aspirations expressed through above answers
- Chemours will pay the scholarship fund directly to the college or university
- Scholarships are awarded annually, the initial award will be presented at a dinner with the committee, Chemours site leadership, and a guest of your choice
- Scholarship amount awarded is \$10,000.00 each year over the 4 years program for a total of \$40,000 (if eligibility maintained).
