SGA Executive Meeting Notes

September 6, 2023

12:30 P.M.

</div>

Attendance:

Christian Howell

Garrytt Horner

Kat Huffman

Carter

In this week's meeting we discussed the future responsibilities for each student going forward as well as any events we would like to organize for SGA.

*Garrytt Horner handles the finance report, which for this semester is $1,500.

*Christian Howell handles the communications across campus and spreading the word of what SGA does and is about. It had been suggested that Christian keep documentation of which clubs send members to represent their organization. After a reasonable amount of time, that club will be removed if no one comes forth to represent their group.

*The Student Appeal Committee is accepting nominations for students to be in their association, Olivia Reeder has nominated: Kat Huffman, Garrytt Horner, Christian Howell, Isabella Hileman, and Carter (Last Name). The committee will no longer take applications after September 15, 2023.

*The State Advisory Council of Students needs a representative from SGA for their meeting September 13, 2023, at 10am via Zoom and Isabella Hileman has offered to be present.

Potential Fundraisers

*Can Food Sculpture

-SGA could open this fundraiser up to the campus and students could donate canned food items to make a sculpture. After selecting places for sculptor winners. The food is donated to a shelter in need. This event is planned to be around October 13 and 14, 2023.

*Town Hall

-The idea of hosting a town hall event would spread the word of SGA as well as attract different people to come to the event. Students could discuss a variety of topics or issues they feel should be heard. For example, we could converse food scarcity and issues with transportation, accessibility issues, and retention. More about this idea will need to be discussed.

*Taco In a Bag

-Students go crazy for these simple treats! During the meeting it had been decided Wednesday would be best; students can come into the Student Lounge and grab a taco in a bag, a drink, and a cookie for $5
