

Title: #VII-17. Institutional Participation in Research Projects

Date: November 28, 2023 (replaces version dated March 10, 2016)

Requests from individuals or agencies for institutional data or official positions of the college (e.g., for research projects or doctoral theses) are subject to review by the President and Vice Presidents with final approval by the president. A positive response to such a request is contingent upon the agreement of WVU at Parkersburg students and/or personnel who would be asked to participate.

Ordinarily the home addresses and home phone numbers of personnel will not be released; however, directory information for students may be released in accordance with the Family Educational Rights and Privacy Act.

Responsible Administrator: President, 304-424-8200
