APPLICATION REVIEW PROCESS

Applications will be accepted year round. Selection of applicants is a continuous process so early application is highly recommended. The RN-BSN program has limited enrollment. Applications will be reviewed as received for program admission. Qualified applicants will be admitted as applications are reviewed. Qualified applicants who are not admitted, due to space, will be offered admission in the next cohort.

Because of the competition for space, it is possible that qualified applicants may not be selected for admission.

Notification of admission status will be e-mailed to all applicants to notify if he/she has been accepted or not accepted into the RN-BSN program using the email address provided on the application form. To that end, it is very important that the application reflects the correct email address of the applicant. It is the applicant's responsibility to update the application for any changes.

With the program being 100% online, it is important to note that computer access with internet is required.

For additional information about the program, please refer to the RN-BSN website at www.wvup.edu/rn-bsn. For questions, contact the Nursing and Health Sciences Division at 304-424-8300.
