

Our Career Services Office is dedicated to assisting students and alumni in preparing for their professional plans during their college careers, through graduation and beyond. Career Services can assist you in deciding a major by matching interests, talents and goals to a specific career field. Career Services also connects employers with students and alumni.

Career Services will help you with:

- career assessment
- career counseling
- developing job search skills
- assisting with developing resume and cover letter skills
- interviewing preparation
- finding internships and employment with our bi-weekly newsletter and up-to-date job postings on our TVs around campus

For more information, contact Career Services at careerservices@wvup.edu or call 304-424-8395.
