Effective

Fall semester - August 2023

Responsibilities

- This is a nine-month, renewable term appointment.
- This appointment will include a 15-credit hour teaching load per semester in Nursing.
- Other college level courses may also be assigned depending on the selected candidate's credentials.
- Most instructional duties will be at the main campus in Parkersburg but may also include the instruction of classes at the Jackson County Center in Ripley.
- Teaching assignments may include evening, weekend, hybrid and/or totally on-line instruction.
- In addition, duties will include academic advising, committee service, program and course-level assessment, program support, effective use of learning management systems, student recruitment/retention and professional development.
- Use of learning management systems and demonstrated effective use of technology is a condition of continued employment beyond the first year.
- WVUP values creativity, individuality, and innovation, and expects the selected candidate to actively participate in the college community.

Requirements

- A Bachelor's degree in Nursing from a recognized, regionally accredited college or university will be considered if enrolled in a graduate degree program with a major in nursing within one year of employment OR
- A Bachelor's degree in Nursing from a recognized, regionally accredited college or university and at least 10 years of direct patient care experience in Nursing OR
- A Master's degree in Nursing from a recognized, regionally accredited college or university.
- West Virginia RN licensure or eligibility for such licensure.
- Demonstrated use of advanced technology systems such as learning management systems or similar technologies.

- Understanding and application of assessment practices is strongly preferred.
- Successful college-level teaching experience is preferred, as well as prior effective use of technology in instructional delivery, and a willingness to deliver courses in all instructional modalities.
- Demonstration of teaching effectiveness is part of the on-campus interview.

Posted

04/14/2023 and will remain active until filled with preference given to applications that are received by 05/31/2023.
