Effective

Fall semester – August 2023

Responsibilities

- This is a nine-month, renewable term appointment.
- This appointment will include a 15-credit hour teaching load per semester in Child Development.
- Other college level courses may also be assigned depending on the selected candidate's credentials.
- Instructional duties will be online from the main campus in Parkersburg.
- Teaching assignments may include evening, weekend, hybrid and/or **totally on-line instruction**.
- In addition, duties will include academic advising, committee service, program and course-level assessment, program support, effective use of learning management systems, student recruitment/retention and professional development.
- Use of learning management systems and demonstrated effective use of technology is a condition of continued employment beyond the first year.
- WVUP values creativity, individuality, and innovation, and expects the selected candidate to actively participate in the college community.

Requirements

- A Bachelor's degree in child development, early education or related field from a recognized, regionally accredited college or university.
- At least 18 credit hours of early childhood coursework from an accredited college or university or equivalent experience and at least 3 years of classroom experience with children from birth to 5 years of age.
- A Master's degree in child development or early education from a recognized, regionally accredited college or university is preferred.
- Demonstrated use of advanced technology systems such as learning management systems or similar technologies.
- Understanding and application of assessment practices is strongly preferred.

- Successful college-level teaching experience is preferred, as well as prior effective use of technology in instructional delivery, and a willingness to deliver courses in all instructional modalities.
- Demonstration of teaching effectiveness is part of the on-campus interview.

Posted

05/16/2023 and will remain active until filled with preference given to applications that are received by 06/15/2023.
