## MINUTES WEST VIRGINIA UNIVERSITY AT PARKERSBURG BOARD OF GOVERNORS March 19, 2024

A regular meeting of the West Virginia University at Parkersburg Board of Governors was held on Tuesday, March 19, 2024, in the Francis & Nina Phares Board Room of WVU Parkersburg and via Zoom Video Conferencing, beginning at 3:15 p.m. Board members present were: Joe Oliverio, Blaine Hess, Savannah Morgan, Donna Smith, JP Hushion, Jason Landers, Stephanie McCoy, Ami Shaver, Vasanth Ananth, Andrew Walker and Cody Irick. Others present included Dr. Torie Jackson and Lauriel Rader.

Guests present included administrators, faculty and staff.

#### 1. Call to Order

Mr. Oliverio, Chair of the WVU at Parkersburg Board of Governors, called the meeting to order.

#### 2. Roll Call

Roll Call was taken by Lauriel Rader, Secretary to the Board of Governors, noting that a quorum was present.

#### 3. President's Report

President Jackson delivered the following report:

Governors, it is with gratitude that I thank you and this entire campus for the efforts you diligently placed on our recent HLC visit. I will not provide an hour-long recap of our event as Dr. Lancaster already did that in a committee meeting.

We don't officially have our report back. We did have a short exit meeting with the HLC peer review team before they went back to their hotel to finish writing our report. With much delight I share with you that they described our campus as one with a spirit of teamwork and optimism. They noted envy of some of our processes and of our financial stability.

One of my favorite moments of the visit occurred during their meeting with the President's Cabinet - many members of whom are in this room today. They asked this team about what they liked about the campus or what kept them up at night. The conversation quickly turned to different members taking turns to tell what made them WVU Parkersburg proud. Most of them aren't staying awake at night thinking about problems. If they are up late, it could be because their sleeping partner is too loud or it also could be because they are dreaming of our next paths, solutions to enhance the community.

I had lunch yesterday with a community leader. She asked me if I was happy to be a community college or if I wanted WVUP to be more. I am thrilled to be a community college in a higher education environment of uncertainty. We have a defined path. The HLC review team said we knew our mission and we put it into action. That speaks volumes. As a community college - as a community partner and as a community leader - we are able to bring life changing educational experiences to our students. As always, we do this in a safe and supportive environment. As you can imagine, that makes me WVU Parkersburg proud.

Will additional ways that we can grow and improve be part of the HLC review report? Likely.

Is it our plan to continue to assess ourselves and become better every academic year? Absolutely.

We've all been holding on to the POST-HLC Visit lists that we have been waiting to accomplish. Next week, I will host an executive team retreat so that David, Alice and I can share all of our lists and then prioritize next steps.

We are planning for strategic growth. We are focusing our efforts on building out the farm, creating an Applied Technical Center in our Jackson County space, and focusing on the transformative project of creating an Incubator and Technology Center on our recently acquired Vienna campus.

Oh, the WVUP ITC - we've made progress. We donated more than 80,000 books, numerous bookcases, chairs, desks and various other items to a variety of groups.

The former OVU had many religious books and items of interest to various segments of our community. Individual ministers from numerous Churches of Christ, spanning West Virginia, Ohio, and Tennessee, benefited from our donations. Additionally, individuals from other faith-based groups have obtained books, such as Braille Bibles for the Seventh Day Adventist Church.

Two different schools of preaching in the United States, as well as three preaching schools in Kenya, Sudan, and Ghana, have acquired books, literature, and bookshelves. The Warren Apologetics Center in Parkersburg also received books and shelves. Neale Elementary, a public school, received a portion of the children's books. Additionally, a tractor-trailer load of books was sent to Wood County Christian for a future book giveaway, with some also being added to their library. Bible class materials and books were dispatched to numerous bible class programs, including those in Kenya.

Locally, we provided chairs to the Vienna Fraternal Order of Police, the Waverly Volunteer Fire Department, the Wood County Board of Education and others.

The work at this site already shows that it fits within our mission of being a community college.

Recently, Tres Ross of the Ross Foundation and I presented at the American Association of Community Colleges Workforce Development Institute in New Orleans. The title chosen by the organizers for our presentation was: "An Exemplary Model of Success - Bold Visioning."

This week, Tres and I will again present at a different conference called Fund Shift, where many funders will gather to consider new ways of approaching community giving and many community college leaders will gather to begin to think about how to receive differently - to do some of that bold visioning.

As your college president, I thank you for supporting bold visioning. You allow us to find solutions that don't shove our round institution into a square hole. Your support provides us the opportunity to be any shape we want to be. Also, in the last month, I was named to the national board for NACCE, the National Association for Community College Entrepreneurship.

Yes, the HLC visit is behind us. And now we look ahead and so much lies before us. Being able to represent the Mid-Ohio Valley and WVUP on a national stage... Knowing that our campus is one where teamwork and optimism are noticed... Hearing the proud moments of our team...

Appreciating your support...

Governors, all of this makes me WVU Parkersburg proud.

#### 4. Approval of Minutes

Chairman Oliverio stated the minutes from the Regular Board meeting of January 16, 2024 are submitted for review. With no corrections to be made, minutes are approved as submitted.

#### 5. Committee Reports

#### Executive Committee

Chairman Oliverio shared the Board of Governors luncheon with the HLC Team members was very positive. The Board Members appreciated the opportunity to share information with the team. In the newspaper this morning, Wood County Christian schools will host a book giveaway. Some of these books were donated by WVUP from the former OVU. Chairman Oliverio shared an enrollment update. As of now this semester, we are at 293 which is up 13%. Summer enrollment is up 29% from last summer. We have three Board Members with their term expiring in June. Please submit your Board Members suggestions by March 28<sup>th</sup>. In April, we will vet the list of potential members. Then make a recommendation to the Governor's Office by summer. He announced things at WVUP's ITC are moving

along. They are working on the roofs and flooring, and will begin to remove asbestos soon. The Executive Committee reviewed and discussed the Board of Governors Operating Procedures. Please review and send your recommendations to President Jackson and Ms. Rader, by March 28<sup>th</sup>.

#### Academic and Student Services Committee

Ms. Smith reported the Academic and Student Services Committee met and discussed updates from the HLC Recap. Dr. David Lancaster, Vice President for Academic Affairs, shared the stages of the HLC process. The first stage is preparation. There were lots of people and various groups from the institution that helped with this process over the last two years. These groups were able to review submissions and had the opportunity to give input on the HLC Report. Another key part of the process was to have Dr. Tom Bordenkircher, HLC Liaison, to visit campus. He was able to share information and provide mock interviews to members of the campus community. Dr. Lancaster discussed the actual HLC Visit. We were set up and ready to go, with people prepped and ready for the various sessions. We had a team set-up to handle any requests from the team members. We don't know the results of the visit yet. They did note the feeling that we have on this campus and they were impressed with the concern we have for the students and the people that work here. They were very impressed with the work of our Finance Office and our financial stability. They were also impressed with how prepped we are with our Zoom classrooms. Now we wait for the results from the final report.

#### Administrative Services Committee

Ms. Morgan reported the Administrative Services Committee met and discussed various updates. Alice Harris, Executive Vice President of Finance & Administration, shared details on the changes with the bookstore. We are transitioning from Barnes & Noble to a student-friendly supply store, utilizing eCampus. The students will have more options when selecting their books; new, used, rental, electronic book options or Marketplace options. Students will be able to utilize their Financial Aid. Marketing is working on some new branded clothing and apparel options. WVUP will be receiving 6% commission on textbook sales. There will be a big remodel to the current bookstore location. This space will house the Supply Store and members from the Financial Aid Department. Once Barnes & Noble is out of the location, our maintenance crew will start with some demo and asbestos abatement. The total remodel cost is \$200,000, for this project.

Bob Cooper, Executive Director of Facilities, shared an update about the ATC at the Jackson County Center. The atrium at JCC is being converted into a brandnew ATC space. The project cost is \$471,000, with demo beginning on April 1<sup>st</sup>. The goal for the completion date is September 24<sup>th</sup>, but we are hoping they will

finish before the start of the Fall semester. The college team is working on the equipment list for the ATC.

Ms. Morgan shared some additional announcements. There is a Banking Career Fair Day scheduled for Monday, March 25<sup>th</sup>. In April, their will be Mock Interviews provided for WVUP seniors. There is an upcoming Women's History Month event on March 27<sup>th</sup>. Recruitment will be offering Program Nights on Thursdays in April and May, for local high school juniors and seniors. The IT Department is busy with all kinds of security audits. The HR Department shared there are several open positions currently on campus.

#### 6. Information Items

#### Fiscal Update

Alice Harris, Executive Vice President of Finance & Administration, provided a detailed report on the budget summary as of month ending February 29, 2024. There were no questions from the members.

#### Policy Update

Dr. Torie Jackson, President, shared an update on the Board of Governors policy C-41, Program Approval and Termination policy. Dr. Jackson reported that no substantial comments were received. Policy is considered approved 30 days from the January 16, 2024 meeting of the WVU Parkersburg Board of Governors.

Board of Governors policy C-41, Program Approval and Termination, is a policy that was developed for WVU Institute of Technology and WVU Parkersburg. It was amended to include WVU Parkersburg in 2006. WVU Parkersburg became an independent institution from WVU in 2008 and thus should have altered those previous policies to reflect the governing WV Community and Technical College System rule. Instead of doing a strike through of the old policy, a new policy was written to replace it to be reflective of 135 C.S.R. 11.

This policy proposal will be submitted to the Chancellor of the WV Council for Community & Technical College System for final approval.

#### 7. Action Items

#### Approval of FY 2024-2025 Tuition Rate

Alice Harris, Executive Vice President of Finance & Administration, presented to the Board the resolution for approval of FY 2024-2025 Tuition Rate increase. EVP Harris shared the following information:

In-State Rates	Associate Level	Baccalaureate Level
FY 23-24 Rate Per Hour	\$ 180.00	\$ 249.00
Percentage Increase	4.34%	4.34%
Increase Per Hour	\$ 8.00	\$ 11.00
FY 24-25 Rate Per Hour	\$ 188.00	\$ 260.00

Tuition Per Semester	\$2,256.00	\$3,120.00
Add Mandatory Fees (no change)	\$ 50.00	\$ 50.00
Total per semester FY 24	\$2.306.00	\$3,170.00
Total annual tuition FY 24	\$4,612.00	\$6,340.00

No changes to out-of-state tuition rates are proposed for FY 24-25

Due to the increasing costs of operating supplies caused by inflation, West Virginia University at Parkersburg finds that tuition rate increases are necessary for FY 24-25 to cover inflationary increases in operating expenses including, building materials, insurance premiums; software license and hosting fees; investment in human capital necessary to grant academic credit for workforce skill sets; and resources to promote West Virginia University at Parkersburg as the college of choice in our region.

#### **Analysis of Three-Year Average Tuition Rates**

	Associate In State Rate	Baccalaureate In-State Rate	Associate Out-of- State Rate	Baccalaureate Out-of-State Rate
Percentage Increase FY 25	4.34%	4.34%	0.00%	0.00%
Percentage Increase FY 24	6.97%	7.20%	0.00%	4.92%
Percentage Increase FY 23	4.87%	4.89%	4.97%	0.00%
Three Year Average	5.40%	5.48%	1.66%	1.64%

Note: Due to the uncertainty in the State of West Virginia budget process, it may be necessary to revisit this resolution.

After review and discussion, Ms. Smith moved to approve the following resolution:

Resolved, That the West Virginia University at Parkersburg Board of Governors votes to approve increases in In-State tuition rates for the 2024-2025 academic year by 4.34%. We approve the submission of the following rates to the West Virginia Community & Technical College System for the 2024-2025 academic year.

Mr. Ananth seconded the motion. Motion passed.

#### Approval of FY 2024-2025 Fees

Alice Harris, Executive Vice President of Finance & Administration, presented to the Board the resolution for approval of FY 2024-2025 Fees. The administration of West Virginia University at Parkersburg recommends the approval of the attached

fee schedule for the FY 2024-2025 academic year. New fees requested for FY 2025 are as follows:

 Health Sciences Background Check - \$50.00 per course - Fee to cover the costs of background checks for Nursing, Surgical Technician, and Patient Care Technology majors to ensure ethical enrollment in the program. Added to NURS 134, 173, 311, ST 100, and PCT 101.

Below is a summary of requests for changes to existing fees:

- Art Fee \$75.00 per course Current existing fee added to ART 397 course to cover materials utilized in the course.
- CDEV Capstone Course Assessment \$35.00 per course Decreased the fee by \$10 over the prior year to better align with actual Peregrine exam costs. Used in CDEV 405.
- Education Field Placement Fee \$25.00 per credit hour Removed from SPED 210 as the course does not utilize field placement.
- HESI Exam Fee \$50.00 per exam Increased the fee by \$5.00 over the prior year to cover increased costs of the Nursing entrance exam.
- MDS Senior Project Fee \$450.00 per course Increased the fee by \$150.00 to cover the costs of faculty subject review panel for students completing the Multi-Disciplinary Studies program.
- Science Lab Fee \$50.00 per course Increased fee by \$10.00 to cover the costs of materials and supplies utilized in lab courses.
- Transcript Fee (Expedited) \$0.00 per transcript Eliminated this fee because the usage of the National Clearing House has made it unnecessary. Standard Transcript Request Fee remains.

Except for the items listed above, all other fee levels remained the same as the prior year. Increases to existing fees were necessary due to the rising cost of materials required to offer the course. The complete list of fees is included in March 19, 2024 Board of Governors agenda.

After review and discussion, Ms. Smith moved to approve the following resolution:

Resolved, that the West Virginia University at Parkersburg Board of Governors approves the fees recommended for the 2024-2025 academic year.

Ms. Shaver seconded the motion. Motion passed.

 Approval of inflation-adjusted staff Mercer pay scale and corresponding equity pay adjustments Alice Harris, Executive Vice President of Finance & Administration, presented to the Board the resolution for the approval of inflation-adjusted staff Mercer pay scale and corresponding equity pay adjustments. EVP Harris reported the last adjustment of the Mercer pay scale was in fiscal year 2017. WV Statue requires that all non-faculty employees be compensated at the minimum rates established by the Mercer scale. However, the State has not adjusted these rates for inflation or to reflect across-the-board staff pay raises that have been authorized in state budgets since 2017. Additionally, starting salaries have not kept up with current market values. As a result, it has become nearly impossible to hire and retain the qualified staff necessary to provide an outstanding educational experience for our students.

#### **Determining Market Rate:**

To measure the current market rate for staff salaries we started with the FY 2017 rates and adjusted them for each subsequent pay raise to arrive at an adjusted starting staff pay scale as included on the attached worksheet.

If approved, all staff (classified and nonclassified) whose wages fall below the new minimum levels will receive a pay increase to adjust their salary to the minimum. In addition, all classified and nonclassified employees with five or more years of service will be adjusted to the 25<sup>th</sup> percentile of the scale or a maximum of \$5,000. The application of the new staff pay scale utilizes a methodology that is consistent with the way the new faculty pay scale was implemented last September. The total estimated cost including payroll taxes and benefits is \$227,700. WVU Parkersburg paid off a long-term lease agreement with WVU in January 2024 resulting in annual cash savings of \$256,052 which will cover the cost of the increases proposed above.

This proposal does not preclude the possibility that the WV Legislature will provide funding for another across-the-board pay increase for all state employees. Should this happen, such pay raises will be added to current base salaries when calculating whether an equity adjustment is necessary. Anyone below the new minimum, or the 25<sup>th</sup> percentile for employees with five years of service, will receive an additional equity adjustment.

After review and discussion, Mr. Landers moved to approve the following resolution:

Resolved, that effective July 1, 2024, the West Virginia University at Parkersburg Board of Governors approves the inflation-adjusted staff Mercer pay scale and a proposed wage adjustment necessary to bring current salaries in line with the new minimum for all staff and the 25<sup>th</sup> percentile of the current scale for all staff with at least five years of employment.

Ms. Morgan seconded the motion. Motion passed.

#### Approval of High School Dual Credit Pathway

Dr. David Lancaster, Vice President for Academic Affairs, presented to the Board the resolution for the approval of a High School Dual Credit Pathway. Dr. Lancaster reported The West Virginia University at Parkersburg Board of Governors approved the offer of dual credit courses at Williamstown High School as part of career pathways at the August 15, 2023 meeting. We are requesting that the Board endorses the ongoing support of the Dual Enrollment/Early College program in all high schools collaborating with WVUP as authorized by West Virginia Higher Education Policy Commission Series 19 regarding the Dual Enrollment Pilot Program. Based on community needs and WVUP's capacity to deliver services, the roster of participating high schools will be subject to change each academic year. The Vice President for Academic Affairs, with the WVUP President's approval, will make this determination.

Below is the current roster of participating high schools:

Doddridge County High School
Mid Ohio Valley Technical Institute
Paden City High School
Parkersburg Catholic High School
Parkersburg High School
Parkersburg South High School
Ritchie County High School
Roane County High School
St Marys High School
Tyler Consolidated High School
Williamstown High School
Wirt County High School
Wood County Technical Center
Wood County Technical Center Caperton Center

After review and discussion, Ms. Smith moved to approve the following resolution:

Resolved, that the West Virginia University at Parkersburg Board of Governors endorses the ongoing support of the Dual Enrollment/Early College program in all high schools collaborating with WVUP as authorized by the state of West Virginia.

Ms. Shaver seconded the motion. Motion passed.

#### Approval of updated Board of Governors Policies to reflect a review of the Academic Freedom policy

Dr. Torie Jackson, President, presented to the Board the resolution for approval of the updated Board of Governors Policy to reflect a review of the Academic Freedom Policy. Dr. Jackson reported the current Board of Governors policy B-2, Academic Freedom, Professional Responsibility, Promotion and Tenure, is a policy that was developed for WVU and its regional campuses. WVU Parkersburg became an independent institution from WVU in 2008 and thus should have altered those previous policies to reflect the governing WV Community and Technical College System rule. Instead of doing a strike through of the old policy, a new policy has been written to replace it to be reflective of 135 C.S.R. 9.

In addition, this policy adds a definition of academic freedom and then follows with an explanation of how academic freedom is applied to teaching. This has been a request of the WVUP faculty to have this clarification in policy.

A notice of proposed rulemaking will be issued proposing the revision of these policies in regards to salary policies. If no substantial comments are received during the 30-day comment period, these policy proposals will be considered approved following the comment period without further action by the Board of Governors. Upon approval by the Board of Governors, these policy proposals will be submitted to the Chancellor of the WV Council for Community & Technical College System for final approval.

After review and discussion, Ms. Morgan moved to approve the following resolution:

Resolved, that the West Virginia University at Parkersburg Board of Governors approves an update to the Board of Governors policy B-2 "Academic Freedom, Professional Responsibility, Promotion and Tenure" to be reflective of WVUP's processes

Ms. Smith seconded the motion. Motion passed.

#### Approval of updated Board of Governors Policies to reflect a review of the Emeritus Status policy

Dr. Torie Jackson, President, presented to the Board the resolution for approval of the updated Board of Governors Policy to reflect a review of the Emeritus Status Policy. Dr. Jackson reported the current Board of Governors policy B-38, Emeritus Status, is a policy that was effective in June 2006 and transferred from the WVU Board of Governors in 2008. WVU Parkersburg became an independent institution from WVU in 2008 and thus should have altered those previous policies to reflect the governing WV Community and Technical College

System rule. Instead of doing a strike through of the old policy, a new policy has been written to replace it to be reflective of 135 C.S.R. 9.

In addition, this policy clarifies that WVUP emeriti do not have access to athletic events. However, they do have an opportunity for continued email services.

A notice of proposed rulemaking will be issued proposing the revision of these policies in regards to salary policies. If no substantial comments are received during the 30-day comment period, these policy proposals will be considered approved following the comment period without further action by the Board of Governors. Upon approval by the Board of Governors, these policy proposals will be submitted to the Chancellor of the WV Council for Community & Technical College System for final approval.

After review and discussion, Ms. Smith moved to approve the following resolution:

Resolved, That the West Virginia University at Parkersburg Board of Governors Approves an update to the Board of Governors policy B-38 "Emeritus Status" to be reflective of current practices

Mr. Hushion seconded the motion. Motion passed.

## West Virginia University at Parkersburg Board of Governors Meeting of April 23, 2024

**ITEM:** Fiscal Update

**RECOMMENDED RESOLUTION:** Information Only

**STAFF MEMBER:** Alice Harris, Executive Vice President

Finance & Administration, Chief Financial

Officer

#### **BACKGROUND:**

EVP Harris will report on the state of the college's finances and the budget for month ending March 31, 2024.

Meeting Date: April 23, 2024

To: Board of Governors

RE: March 2024 Financial Report

Greetings Board Members,

As of March 31, 2024, we are 75% through the fiscal year. Revenues total 82% of the annual budgeted revenue while expenses are coming in at 61% of the annual budgeted expenses.

In keeping with the theme of sharing how the budgeted expenditures of the college reflect the allocation of financial resources to support the five pillars of the WVUP strategic plan, I have included the following examples:

- Enrollment Management Now that the HLC accreditation visit is complete, WVUP's administrative team has turned its attention to strategic planning necessary to not only improve the recruitment of students but to also evaluate retention and commit the necessary resources to help more students complete their degrees.
- Community Relations & Branding & Marketing—Year to Date, WVUP spent \$496,980 for advertising and promotional costs as part of our multi-pronged approach to shouting the message of WVUP's value to our community and to recruit qualified faculty and staff.
- Educational program quality Facility infrastructure is being added to the Riverhawk Farm. In addition to the ongoing construction of the office/classroom building, we have completed a workshop to provide a safe dry place to work on the various equipment necessary to operate a farm
- Workplace Culture The recently approved changes to wage scales for the faculty and staff, have been well received and are appreciated by employees. In addition, both the faculty and staff develop new evaluation tools that each group feels allow for fair performance evaluation. This process was driven by employees and not by the WVUP administration which means they have ownership of the process.

**Tuition & Fees** –As of March 31, 2024, our FY 2024 tuition collected represents 99% of the annual budgeted tuition revenue. As of last Wednesday, the total tuition and fee charges for the Summer Term were \$916,750 which will add to the tuition and fees already collected.

**State Appropriations**— WVUP collects its state appropriations 30% in the first quarter, 30% in the second quarter, 20% in the third quarter, and 20% in the fourth quarter. The accelerated cash flow helps ensure that the college has sufficient funds to pay payroll costs at WVUP as 100% of the appropriation is used for payroll support. Amounts are higher in FY 2024 to reflect the increase provided this fiscal year to cover the Governor's pay increase.

**Workforce Program Income** – Income from short-term programs and business and industry training is up because more short-term programs have been offered, many of which relate to the agriculture program.

**Other Revenues** – Collections for workforce & business training are ahead of the prior year and the increase in other revenues is driven by higher interest revenue earnings which are averaging \$105,032 per month

**Personnel costs** – Personnel costs currently at 68.97% are within the parameters of the annual payroll budgeted by the College.

**Routine Maintenance Contracts** – The increase relates to warranties on equipment purchased with grant funds.

**Educational Supplies** – The increase in educational supplies is driven by the cost of start-up supplies for the cosmetology program and nursing supplies to support the growth of that program both of which are being paid for, at least partially, by grant funds.

**Household Supplies** – This budget is at 81% because of an overall increase in the cost of cleaning supplies.

Overall, through two-thirds of FY 2024's the results of our operations reflect strong financial performance during the fiscal year.

## West Virginia University at Parkersburg Board of Governors Meeting of April 23, 2024

ITEM: Policy update – Academic Freedom,

Professional Responsibility, Promotion and

Tenure policy

**RECOMMENDED RESOLUTION:** Information Only

**STAFF MEMBER:** Dr. Torie Jackson, President

**BACKGROUND:** 

No substantial comments were received. Policy is considered approved 30 days from the March 19, 2024 meeting of the WVU Parkersburg Board of Governors.

Board of Governors policy B-2, Academic Freedom, Professional Responsibility, Promotion and Tenure, is a policy that was developed for WVU and its regional campuses. WVU Parkersburg became an independent institution from WVU in 2008 and thus should have altered those previous policies to reflect the governing WV Community and Technical College System rule. Instead of doing a strike through of the old policy, a new policy has been written to replace it to be reflective of 135 C.S.R. 9.

In addition, this policy adds a definition of academic freedom and then follows with an explanation of how academic freedom is applied to teaching. This has been a request of the WVUP faculty to have this clarification in policy.

This policy proposal will be submitted to the Chancellor of the WV Council for Community & Technical College System for final approval.

#### WEST VIRGINIA UNIVERSITY PARKERSBURG BOARD OF GOVERNORS

## POLICY B-02 ACADEMIC FREEDOM, PROFESSIONAL RESPONSIBILITY, PROMOTION AND TENURE

#### Section 1. General

- 1.1 Scope. This policy relates to academic freedom and responsibility, appointment, promotion, tenure, non-reappointment, and dismissal of faculty and grievance procedures for matters pertaining to faculty. The policy sets forth the major elements that need to be incorporated by the College as it formulates institutional policy relating to faculty issues, as required by the Council for Community and Technical College Education's rule entitled *Academic Freedom, Professional Responsibility, Promotion, and Tenure*, 135 C.S.R. 9.
- 1.2 Authority. W. Va. Code § 18B-1-6, 18B-2A-4
- 1.3 Effective Date. March 19, 2024

#### Section 2. Academic Freedom and Professional Responsibility

- 2.1 Academic Freedom defined: Academic freedom is the freedom of a teacher or researcher in higher education to investigate and discuss the issues in his or her academic field, and to teach our publish findings without interference from political figures, boards of governors, donors, or other entities. Academic freedom also protects the right of a faculty member to speak freely when participating in institutional governance, as well as to speak freely as a citizen.
- 2.2 Academic freedom applied to teaching: The freedom to teach includes the right of the faculty to, determine the approach to the subject, make the assignments, and assess student academic performance in teaching activities for which faculty members are individually responsible. Faculty members are entitled to freedom in the classroom in discussing their subject, but they should be careful not to introduce into their teaching controversial matters that are unrelated to their subject or to persistently introduce material that has no relation to the subject being taught. This doesn't mean teachers should avoid all controversial materials; as long as the material stimulates debate and learning that is germane to the subject matter, it is protected by freedom in the classroom.
- 2.3 Academic freedom at public institutions of higher education in West Virginia under the jurisdiction of the Council for Community and Technical College Education (Council) is necessary to enable the institutions to perform their societal obligation as established by the Legislature. The State of West Virginia recognizes that the vigilant protection of constitutional freedoms is nowhere more vital than in its public institutions of higher education. Faculty members and students must always remain free to inquire, study, and evaluate.
- 2.4 Through the exercise of academic freedom, members of the academic community freely study, discuss, investigate, teach, conduct research, and publish, depending upon their particular role at the institution. To all of those members of the academic community who enjoy academic freedom, there are, commensurate with such freedom, certain responsibilities. All faculty members are entitled to full freedom

in research and in the publication of the results of such research, subject to the adequate performance of their other academic duties, which may include designated instruction, research, extension service, and other professional duties. Further, each faculty member is entitled to freedom in the classroom in discussing the subject taught. In addition, when faculty members speak or write as citizens outside the institution, they are free from institutional censorship or discipline.

- 2.5 The concept of academic freedom is accompanied by an equally important concept of academic responsibility. The faculty member at the College is a citizen, a member of a learned profession, and a representative of an educational institution. As such, a faculty member, together with all other members of the academic community, has the responsibility for protecting, defending, and promoting individual academic freedom for all members of the community. The faculty member has the responsibility of contributing to institutional and departmental missions in teaching, research (as applicable), and service, as defined by the institution. The faculty member also is responsible as a teacher for striving to speak with accuracy and with respect for the similar rights and responsibilities of others. In speaking only as an individual or for a limited group, the faculty member may not imply or claim to be a spokesperson for the College.
- 2.6 In addition to meeting the primary responsibilities of addressing institutional missions in teaching, research (as applicable), and service as defined by the institution, all faculty have an obligation to foster the quality, viability, and necessity of their programs. The financial stability of a program and recruitment of an adequate number of students depend in part on the faculty. The common goal of quality must be nurtured and responsibility for it shared by all. Integrity, objectivity, and service to the purposes and missions of the institution are expected.
- 2.7 Faculty interests and skills change, disciplines evolve, and new professions or fields of study emerge. All faculty members are responsible for remaining current in their disciplines. All are encouraged to explore opportunities for further developing a versatile range of knowledge and skills that are important to the institution. Through individual initiative and faculty development programs, faculty members are encouraged to grow in competency in their own disciplines and strengthen their interests in related fields.
- 2.8 As members of an academic community, faculty members also are expected to participate in decisions concerning programs and in program-review processes.

## West Virginia University at Parkersburg Board of Governors Meeting of April 23, 2024

ITEM: Policy update – Emeritus Status policy

**RECOMMENDED RESOLUTION:** Information Only

**STAFF MEMBER:** Dr. Torie Jackson, President

**BACKGROUND:** 

No substantial comments were received. Policy is considered approved 30 days from the March 19, 2024 meeting of the WVU Parkersburg Board of Governors.

Board of Governors policy B-38, Emeritus Status, is a policy that was effective in June 2006 and transferred from the WVU Board of Governors in 2008. WVU Parkersburg became an independent institution from WVU in 2008 and thus should have altered those previous policies to reflect the governing WV Community and Technical College System rule. Instead of doing a strike through of the old policy, a new policy has been written to replace it to be reflective of 135 C.S.R. 9.

In addition, this policy clarifies that WVUP emeriti do not have access to athletic events. However, they do have an opportunity for continued email services.

This policy proposal will be submitted to the Chancellor of the WV Council for Community & Technical College System for final approval.

## West Virginia University at Parkersburg Board of Governors Meeting of April 23, 2024

**ITEM:** 2024-2025 Budget

**RECOMMENDED RESOLUTION:** Resolved, That the West Virginia University at

Parkersburg Board of Governors approves a final budget for West Virginia University at

Parkersburg for 2024-2025

STAFF MEMBER: Alice Harris, Executive Vice President of

Finance & Administration

#### **BACKGROUND:**

West Virginia University at Parkersburg (WVUP) is statutorily required to submit operating and capital budgets that have been reviewed and approved by the WVUP Board of Governors to the West Virginia Community and Technical College System. Therefore, the attached FY 25 operating budget for WVUP is presented for approval.

April 23, 2024

To: Board of Governors

RE: FY 25 Budget Development

Greetings Board Members,

Attached, please find copies of the FY 2025 budget for your review and approval. WVU Parkersburg is statutorily required to submit a budget to the West Virginia Community and Technical College System (WVCTCS) annually.

The budget preparation process began in November 2023 when budget worksheets were distributed to all budget managers. Budget managers were asked to submit a budget request that included all costs necessary to operate their programs and how each of their budget requests supports the five pillars of the WVUP FY 24 – 27 Strategic Plan. After the initial submission, the finance staff held budget justification meetings, allowing each division to defend its budget request. Part of this defense was that each division was required to document how their budget request helped the college achieve the goals outlined in the strategic plan.

#### **Major Budget Points Explained:**

Included in the FY 2025 budget is a request from the WVUP administration for Board approval to carry over unexpended reserve funds approved for various projects before 6/30/2024 totaling \$300,000 to the FY 2025 budget. Requests to utilize these reserve funds were approved in prior fiscal years but remain unexpended because we were able to utilize the current year's net income to meet our obligations rather than dipping into reserves. Approval of the carryover to FY 2025 will ensure that the college will have sufficient funding to meet its strategic objectives as we continue to revamp our Jackson County operation and improve our physical plant.

- **Appropriation Revenue** Appropriation revenue increases are due to a Legislative approved appropriation increase of \$368,060. Although not specifically required, the WVUP administration is proposing to utilize the increases to provide a \$2,500 per full-time employee hired before the March 9, 2024, approval of the FY 2025 State Budget Bill. The employee pay increase helps align compensation with the new hiring scale approved by the BOG in March 2024.
- **Grants Revenue** WVUP is submitting FY 25 budgets for thirty (30) active federal, state, and private grants totaling \$5,631,205. The expected increase in FY 25 includes a pending \$1.6 million JCC ATC equipment grant, an advance grant to start a new Radiology Tech degree program, and a WVCTCS matching grant for equipment purchases.
- **Tuition Revenues** The tuition and fee revenues are based on projected actual FY 2024 tuition collections. Because of concerns caused by the FAFSA changes and the difficulty encountered by students, we felt it was more conservative to hold the tuition and fees level with the current year's expected collections.
- Other Revenues Other revenue increases are due to increases in auxiliary revenues collected from Ricky's Café (increased by \$60,000 over the prior year-to-date) and the new Riverhawk Book & Supply Store conservatively estimated at \$100,000 of additional revenues.

- **Debt Service** The long-term lease to WVU for energy improvements was paid in full in January 2024. The savings from this line item are used to help support additional employee equity adjustments necessary that are above the increase in appropriations.
- **Faculty Salaries** Faculty salaries increased due to legislatively funded pay raises and Fall 2023 approved adjustments to the faculty pay scale and the addition of three new faculty members for the JCC Applied Technology Center and one for the Radiology Tech program.
- Classified Staff The FY 25 budget reflects increases resulting from legislatively funded pay raises and equity adjustments to bring staff to their appropriate level in the updated staff pay scale which was approved at the March 2024 BOG meeting.
- **Nonclassified Staff** The FY 25 budget reflects increases resulting from legislatively funded pay raises and equity adjustments to bring staff to their appropriate level in the updated staff pay scale which was approved at the March 2024 BOG meeting but also reflects the reclassification of 4 employees from non-exempt to exempt.
- **Payroll taxes, benefits, and employee insurance** Payroll taxes and benefits changed in proportion to faculty and staff salary changes.
- **Advertising and Promotion** –The increase in advertising and marketing is due to the impact of grant funding and will allow for targeted marketing campaigns and additional saturation to improve the effectiveness of the campaign.
- **Awards & Scholarships** The increase in awards and scholarships relates to an increase in enrollment by students participating in the DOL Strengthening Community Colleges nursing grant and includes monthly participation stipends and textbook support.
- **Hospitality & Food** This category includes increasing the cost of food to reflect more sales associated with the operation of Ricky's Café.
- **Household supplies, Routine Maintenance Contracts, and Utilities** Increases in these categories are the result of general inflationary price increases experienced in the current year.
- **Materials and Supplies Purchased for Resale** This line item represents the estimated cost of merchandise purchased for resale in the Riverhawk Book & Supply Store.
- **Utilities** Utility expenses have been adjusted to reflect anticipated price hikes but are somewhat offset by the continued energy improvements made to lighting, HVAC systems, and roofing.
- **Travel** The majority of the increase in travel is due to an increase in the number of admissions counselors in support of the approved strategic enrollment plan and grant-funded training for technical faculty in the area of Advanced Manufacturing
- **Professional, consultants, contract labor** This category is a catch-all for all non-employee-related payments to consultants and temporary employees. This category also includes salary reimbursements paid to Learn N Earn participating companies. The increases relate directly to new grant programs and an increase in the amount budgeted for ongoing federal grant writing support.

**Equipment** – The increase in equipment costs relates to the cost of new equipment for the JCC – Applied Technology Center pending the approval of a federal grant.

Capital Projects – The capital projects budget includes an additional \$500,000 to complete the list of deferred maintenance projects submitted to the Governor's office. The initial list was funded at \$2.9 million then later reduced to \$2.4 million by the Governor's office. These projects include a new roof and siding at the Caperton Center, siding and windows at the Jackson County Center, new boilers in the Main Building, and window replacement in the Main Building.

As always, if you have questions, I will do my best to provide you with answers.

ITEM: Approval of a \$2,500 annual pay increase

effective for the pay period beginning July 1, 2024, for all WVUP-eligible full-time employees. Eligible full-time employees are those who were employed by WVUP on March 19, 2024, when the FY 2025 budget bill was signed into law.

**RECOMMENDED RESOLUTION:** Resolved, That the West Virginia University at

Parkersburg Board of Governors approves a \$2,500 pay increase for eligible WVUP

employees as described below.

**STAFF MEMBER:** Dr. Torie Jackson, President

**BACKGROUND:** 

During the recently completed West Virginia legislative session, legislators discussed a state employee pay increase. The legislative-approved appropriation increase provided WVU Parkersburg with a total cost of \$368,060. Although not specifically required, the WVUP administration is proposing to utilize the increases to provide a \$2,500 per full-time employee hired before the March 9, 2024, the date of approval of the FY 2025 State Budget Bill. The employee pay increase helps align compensation with the new hiring scale approved by the BOG in March 2024.

When approved, the pay increases will be applied as follows to each group:

Faculty – All full-time regular faculty who have a minimum of nine months of credited service with WVU Parkersburg as of June 30, 2024, and are returning for the Fall 2024 term will be granted a \$2,500 pay increase beginning with their FY 25 contract date. Temporary faculty and those with less than nine months of credited service as of June 30, 2024, will not be eligible for this pay increase. The estimated cost of this pay increase will be \$166,160.

Nonclassified Staff – All eligible nonclassified regular staff employed at WVU Parkersburg on March 9, 2024, will receive a \$2,500 pay increase to be paid in equal amounts during FY 2025s 26 biweekly pay periods. The estimated cost of this pay increase will be \$138,000.

Classified Staff – All eligible classified regular staff employed at WVU Parkersburg on March 9, 2024, will receive a pay increase in the amount of \$1.28 per hour to be paid in equal amounts during FY 2025's 26 biweekly pay periods. The estimated cost of this pay increase is \$241,600

The total cost of these raises equals \$545,760 which can be covered by the \$368,060 increase in appropriations, plus the funds freed up by the payoff of the long-term lease agreement \$256,053. (368,060 + 256,053 = 624,113) The additional dollars will be used to fund the staff salary increases approved at the last BOG meeting with a new starting salary pay and increases for employees to the minimum or the  $25^{th}$  percentile depending on years of service.

#### **Budget Justification**

Simply put, the increase as proposed is able to be supported by the institution. This is at a time when a new staff evaluation process is being benchmarked to look at possibilities of performance-based salary increases in the future. Again, the employee pay increase helps align compensation with the new hiring scale approved by the BOG in March 2024. The cost of this increase is built into the FY25 proposed budget that the BOG will approve at this same meeting.

**ITEM:** Approval of updated Board of Governors

Policies to reflect a review of the Use of

Institutional Facilities policy

**RECOMMENDED RESOLUTION:** Resolved, that the West Virginia University at

Parkersburg Board of Governors approves an update to the Board of Governors policy F-16 "Use of Institutional Facilities" to be reflective of

current practices

**STAFF MEMBER:** Dr. Torie Jackson, President

**BACKGROUND:** 

The current Board of Governors policy F-16, Use of Institutional Facilities, is a policy that was effective in September 2003 and transferred from the WVU Board of Governors. WVU Parkersburg became an independent institution from WVU in 2008 and thus should have altered those previous policies to reflect the governing WV Community and Technical College System rule.

In addition, this policy clarifies the way WVU Parkersburg utilizes its facilities with internal and external groups. It also strikes the section for use of campus by nontraditional programs as that was specific to WVU and was intended for camps.

A notice of proposed rulemaking will be issued proposing the revision of these policies in regards to salary policies. If no substantial comments are received during the 30-day comment period, these policy proposals will be considered approved following the comment period without further action by the Board of Governors. Upon approval by the Board of Governors, these policy proposals will be submitted to the Chancellor of the WV Council for Community & Technical College System for final approval.

ITEM: Approval to utilize Unrestricted Reserve Funds

for creation of an Outdoor Event Center

**RECOMMENDED RESOLUTION:** Resolved, that the West Virginia University at

Parkersburg Board of Governors approves the utilization of college unrestricted reserves up to an amount not to exceed \$1,470,000 to fund the

creation of an Outdoor Event Center

**STAFF MEMBER:** Dr. Torie Jackson, President

#### **BACKGROUND:**

The college began hosting outdoor commencement ceremonies in May 2021. By having outdoor graduation opportunities during the largest commencement of the year, we can allow students to invite more guests. During a spring commencement, 5 tickets are usually given to reach graduate for family and friends to attend – but only when hosted outdoors. With an inside ceremony, the space is limited in the College Activities Center, so the candidates for graduation only get two to three tickets. We don't believe that is sufficient.

The issues that arise with an outdoor commencement result in utilizing a parking lot, bringing in a stage, and renting a large tent to attempt to cover the location in the event of hot sun or light rain. During the May 2024 commencement, we will have to put nearly 50 holes in the parking lot for the tent.

To have a long-term solution for outdoor events, we propose a 60'x160' metal roofed gable structure that is certified for West Virginia wind and snow loads. We plan to build in the back side and create a stage. Three sides will be open. For the structure, labor, stage, concrete base, electrical and engineering, the project is expected to cost \$1,470,000.

Reserve balances as of June 30, 2023, totaled approximately \$22 million based on financial statements and are more than adequate to support these expenditures.
