West Virginia University®

As West Virginia University at Parkersburg prepares to observe its 50th Anniversary of providing education opportunities to the Mid-Ohio Valley, the college's Student Government Association and the WVU at Parkersburg Foundation are coordinated a commemoration project.

The Foundation and SGA invites you to participate in the Memory Garden project which links the college's past to the future. By purchasing a brick inscribed with your name or personal message, you will permanently make your mark on the campus.

The Memory Garden plaza is located on the campus front lawn. Your name or message etched in a brick will symbolize the spirit you felt when you were on campus. Or, perhaps you would like to honor faculty, staff, administrators, students, alumni or others to be permanently remembered in a lifetime garden.

We envision that each brick in this special outdoor gathering space will acknowledge those people who have made WVU Parkersburg the outstanding educational institution it is today.
